

PATRICIA "PATTY" CUNNINGHAM

239.293.2626 | cunnipatty@gmail.com | Clermont, FL

PROFESSIONAL SUMMARY

Compliance and audit professional with 5+ years driving regulatory excellence in consumer lending, fintech, and financial services. Proven expertise in UDAAP, ECRA, FCRA compliance and third-party risk management. Track record of designing internal controls, reducing audit findings, and translating complex regulations into operational improvements.

AREAS OF HIGH PROFICIENCY

- Regulatory Compliance and Risk Management (UDAAP, ECOA, FACTA, FCRA, CAN-SPAM)
- Internal Controls Monitoring and Audit Support
- Customer Due Diligence (CDD) and Enhanced Due Diligence (EDD)
- Policy and Procedure Development and Documentation Governance
- Complaint Management and Regulatory Response Coordination
- Third-Party Risk and Oversight
- Risk Assessment, Escalation, Remediation Tracking
- Data Analysis, Reporting, and Validation (SQL, Microsoft 365, SharePoint, CRM)

PROFESSIONAL EXPERIENCE

Compliance Associate (Contract)

Together Loans (Fintech Consumer Lending Platform) | Remote | November 2025 – *Present*

- Support daily regulatory and operational compliance activities in a high-volume lending environment
- Maintain and enhance company policies and procedures to align with federal and state regulations
- Conduct third-party and law firm due diligence, ensuring adherence to contractual, regulatory, and risk standards
- Collaborate cross-functionally to identify compliance gaps, assess risk, and implement internal control improvements
- Support audit readiness, compliance monitoring, and risk documentation management
- Develop and update training programs reflecting regulatory changes, control expectations, and emerging risks

Audit Compliance Manager

Rausch Sturm, LLP | Remote | June 2023 – May 2025

- Led daily auditing and compliance initiatives for consumer banking and online lending clients
- Assessed control effectiveness, identified compliance gaps, and recommended risk mitigation improvements
- Managed consumer and CFPB complaint investigations, preparing case files and supporting legal teams in regulatory response and remediation tracking
- Supported internal and external audits, preparing attestations and validating supporting documentation
- Monitored service level and regulatory deadlines, escalating risks to maintain audit readiness
- Guided clients on regulatory best practices and ongoing compliance program enhancements

Client Relations Specialist

TRAKAmerica | Bonita Springs, FL | 2014 – 2017, September 2018 – June 2023

- Collaborated with law firms representing regulated financial institutions, ensuring compliance with consumer protection and collection regulations
- Developed client-specific compliance workflows and trained staff and external partners
- Prepared compliance reports, analyzed trends, and identified operational and regulatory risks
- Contributed to policy development initiatives to enhance oversight processes
- Maintained client relationships and supported operational compliance improvements

Retirement Accounts Supervisor

Kennedy Cabot & Company | Beverly Hills, CA | 1993 – 1998

- Supervised retirement account operations, ensuring compliance with client expectations and regulatory standards
- Collaborated with analytics and operations teams to identify process gaps and implement control improvements
- Managed customer account activity and timely resolution of operational issues
- Developed reporting and coordinated billing and invoicing processes

EDUCATION & CERTIFICATIONS

- AI Courses (In Progress) | IBM SkillsBuild
- AI and Career Empowerment Certificate | University of Maryland, Robert. Smith
- Business Administration | Florida Southwest College, Fort Myers, FL
